It is a kingdom focused movement inspired by the Holy Spirit to promote bible based principles, values and moral standards in transforming individuals, families, communities and government. I am joining the organization voluntarily and without motives of material advantage or personal gain, that I agree to respect the Constitution, the Statement of Faith and the structures of the organisation, and to work as a loyal member, that I will place my energies and the skills at the disposal of the organisation and carry out the tasks given to me.</i></p> <p><i>That I will work towards making Godly Governance Network an effective instrument to mobilise, educate and organise individuals, families, communities, cities and nations to realise its vision and mission.
